MEMORANDUM FOR: [REDACTED]

1. Returned herewith is the document, Subject: Delineation of Responsibilities to Cope with the Attack on the Free Europe Committee (ER-10-12).

2. Pursuant to your request, I held a meeting at 1100, 22 January, attended by Colonel White, Colonel Edwards, Colonel Grogan, Mr. Houston, Mr. Warner, and Mr. Meyer. Each individual personally read the attached memorandum and stated that he understood that part of the instruction which applied to him. You have undertaken to show the memorandum to Mr. Kirkpatrick.

3. The meeting lasted about an hour. We discussed various aspects of the [REDACTED] problem and arranged for full coordination among the interested officers of the Agency. It was a successful and useful gathering since it served to bring everyone up to date and to insure that we would march along together on this problem. You may want to inform the Director of the foregoing.
